**SERVICES AND PROGRAMS**

**Recreation Programs**

Participants went dog sledding, snow tubing, ice fishing, rafting, climbing, hand cycling, made crafts, journaled, attended a concert and more! Recreation Programs also allow for the care-givers and loved ones to receive respite.

- 7 Multi-day programs
- 4 One-day programs
- 95 Participants
- 90+ Volunteers

**Art and Music Classes**

Classes encouraging creative expression and self exploration.

**Colorado Brain Injury Collaborative**

The Colorado Brain Injury Collaborative is dedicated to improving the lives of the approximate 500,000 individuals living with brain injury in Colorado through public policy and education.

Recent successes include HB 1398 Implement Respite Care Task Force. The bill requires the Department of Human Services to select a contractor to implement the recommendations of the Respite Care Task Force.

HB 1321 Medicaid Buy-in Certain Medicaid Waivers directs the Department of Health Care Policy and Financing (HCPF) to seek federal authorization to implement a Medicaid buy-in program for adults who are eligible to receive home-and community-based services under the Brain Injury (BI) waiver.

**Online Resource Directory**

The most comprehensive resource directory for the brain injury community in the state.

**700+** Resources

**Pathways Program**

The Pathways Program makes life easier for a survivor and their family by providing them with the confidence and peace of mind that BIAC will be checking in with them at regular intervals to provide support. Case-management is also readily available.

**Assistance with Utility Bills**

**64** Survivors received financial assistance to help with overdue utility bills.

**\$20,000** granted

**Community Outreach & Education**

BIAC staff provide outreach through presentations for groups or exhibits at events. In-depth trainings are offered to community providers to increase public awareness of brain injury, services BIAC can offer, and brain injury resources available in Colorado.

- 21 Trainings provided to community organizations
- 7 Brain Injury Professional Network groups
- 72 State-wide support groups including 35 stroke specific groups

**Colorado Brain Injury Program Adult Services**

The Brain Injury Alliance of Colorado supports TBI survivors in their application process for the Colorado Brain Injury Program.

**172** Adults approved for services

**Colorado Youth Brain Injury Connections**

Colorado Youth Brain Injury Connections works to provide coordinated care across community, health, and educational settings to meet the individual needs of children and youth (0-21 years old) with a brain injury.

**76** Youth approved for services

Attendees

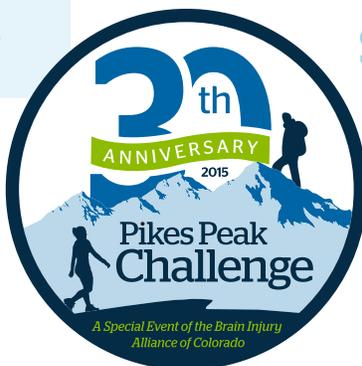

## Conferences and Workshops

Workshops, intended for survivors and their care-givers, were held in Colorado Springs, Steamboat Springs, Grand Junction and Denver.

The professional conference showcased several renowned speakers so as to further educate attendees on recent studies and best practices regarding brain injuries.

## 30th Annual Pikes Peak Challenge

We celebrated the 30th anniversary of the Pikes Peak Challenge with music, food and beverages in the park as we cheered on every hiker and walker that rose to the challenge.

**\$185,000 raised**

- 374 Summit Hikers
- 25 Barr Camp Hikers
- 130 Manitou Walk participants
- 100+ Volunteers supported the event
